We offer multiple scholarship based on merit & means it range from 30 thousand to 1 Lakh, for more details you can contact admission department.

15. I have read about different Labs at DSB. Can you give details?

We boast of one of the best Finance Analytics Lab with 32 high end workstations, sixty 22inch workstations and six 49-inch TVs. The goal of the Finance lab is to recreate the environment of Capital Markets and the Treasury trading floor and use the reference of real time price movements and news to show their impact in Global Financial Markets. This grooms students for future roles in Asset Management, Capital Raising & Risk Management.

Industry 4.0 has a high demand for professionals with an Analytics background. It was with this vision that the Analytics Lab was set up where courses on Big Data Analytics, Data Science, Artificial Intelligence and Machine learning are taught.

16. Does the institute provide internship opportunities?

Yes, the institute invites companies which recruit students for summer internships. You get the opportunity to work for 8-10 weeks on a company project under the mentorship of a company mentor and a Faculty mentor and this contributes towards your learning.

17. How is the campus running currently, in view of the pandemic?

We are re-opening the campus on a restricted level. We are offering students the option of attending physical classes with the consent of their parents/guardians. Classes will be held in hybrid mode wherein a few students will attend physically and the others will simultaneously attend the class online. In case, we receive many applications for students wishing to attend classes in the offline mode, the college will chalk out a schedule whereby batches of students will attend the classes online and offline alternatively.

18. What are the extra measures taken by the college for opening of campus during the pandemic?

The classrooms, library, corridors, railings, lifts and common areas are thoroughly sanitised every day. All individuals entering the campus are required to wear masks and observe social distancing norms. Their temperature is checked on entering the campus. Dispensers for sanitisers are kept at various locations for the convenience of students.

19. Is it compulsory to attend classes in campus?

No, at present it is not mandatory to attend classes in campus. It is a voluntary step which can be opted for by the student. Parents can give their consent keeping their ward's well-being in mind. Alternatively, the student can opt for attending classes in online mode. However, in future, the institute shall follow the Govt. guidelines of re-opening the campus full time.

20. What are the attendance norms?

Students are required to maintain 80% attendance in every course to be eligible for taking exams in that course. This has been essentially brought out as there is a lot of learning in the classroom not only from Faculty members but also from peer groups as part of the class discussions.

21. What are the CGPA norms?

A student needs to attain a minimum CGPA of 4.5 to be promoted to the second year or for graduating a student needs to attain a minimum CGPA of 5 at the end of the programme.

22. How do you prepare students for placements?

During the programme, we have courses on Managerial Communication, Leadership Skills, Negotiation, Cross Cultural Communication which get you ready for a working career ahead. The group discussions and projects in various courses instil a sense of team-work in the students.

We also have specialised workshops and training programmes for Personality and Soft Skill Development which gear you up for facing Interview panels.

23. Industry connect and experience

Some of our Faculty members have held Senior Management positions at companies like HCL, Exxon Mobil, IBM, ITC, Times of India Group, Ballarpur Industries, HUL, Price Waterhouse, Infosys, TCS, Wipro, Accenture & Capgemini Consulting. Our alumni have been placed in erstwhile companies like Oracle, E&Y, Marriott, Acuity Knowledge (previously Moody's Analytics), HDFC Bank, Aditya Birla Fashion etc.

Through the collective Corporate experience of our Faculty and Alumni, we have a strong industry connect. Every year, we hold Conclaves for the HR, Marketing & IT domains where Industry professionals interact with the students and make them aware of the needs of the industry and advise them on how to gear up for the Placement season.
